

6 NEW CHRISTINE

(TAKES A BREATH) I'm sorry. It's my hormones. These new birth control pills have my whole system out of whack.

7 RICHARD

Maybe you should get off them.

8 NEW CHRISTINE

(SUPER SARCASTIC) Oh maybe I should get off them, Richard? Is that what you think I should do? Get off them? (THEN) Maybe I should. But then what are we going to use for birth control?

9 RICHARD

Whatever you want. As long as it's not condoms. Or abstinence. Or anything else that I have to be responsible for.

10 NEW CHRISTINE

Listen, I've been thinking about it a lot. Maybe we should think about a more permanent solution.

11 RICHARD

Really? You don't want babies?
